WANNA HAVE FUN WITH THE LATEST TECH?+

Intelligent Meter

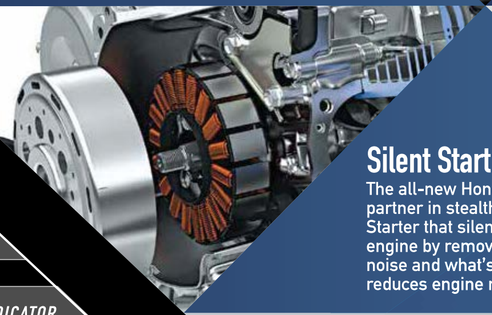
The all-new DIO 125 has a mind of its own with an Intelligent Meter that tracks Real-Time Mileage, Average Mileage and Distance To Empty, so you have one less thing to worry about.

PGM-FI System

Our sensor-based PGM-FI System constantly injects optimum fuel with air for efficient combustion that gives you consistent power output and more mileage.

Idling Stop System

The Honda DIO 125 fuels your fun, without burning extra fuel. Its Idling Stop System automatically switches off the engine at quick stops like traffic lights. To start the engine again, just twist the throttle and you're ready to go!



Silent Start with ACG

The all-new Honda DIO 125 is your partner in stealth with an ACG Starter that silently starts the engine by removing gear meshing noise and what's more, it even reduces engine maintenance.

Side Stand Engine Cut Off^

The cutting-edge tech in Honda DIO 125 never fails to turn off the engine while the Side Stand is in use. Safe, isn't it?

Smart Key

It's time to have fun the smart way with the Smart Key that has H-Smart Technology so that you can enjoy features like Smart Safe, Smart Find, Smart Unlock, and Smart Start.

DIO 125

DIO

WANNA HAVE FUN WITH MORE EASE?

External Fuel Lid

Refuel your DIO 125 without ever getting off the seat with the External Fuel Lid.

Front Glove Box

Not just the essentials, keep a whole lot more in the DIO 125's Front Glove Box that is now more spacious than ever.

Integrated Pass Switch

With our extraordinary Passing Switch, you can pass signals on a low/high beam while riding and own the road the way you were meant to.

Under-Seat Storage

Carry your world with you in the Under-Seat Storage that gives you enough and more space to store whatever you need for your bold new trails.
